

Wyoming State Reading Council

October 11, 2017

Dear Wyoming State Reading Council Members:

The new school year is upon us and it is time to begin the 2017-2018 membership drives for your local councils. First, I would like to introduce myself. I am the WSRC's *Director of Membership and Webmaster*. I spent 24 years in Special Education teaching K-12 in a couple districts in Wyoming, and then began teaching in 4th grade, then switched to 5th grade teacher, and now currently teaching 3rd grade. I was recognized by Laramie County School District #1 for 20 years of service. I have served in many capacities for our local reading council and on the state reading council for the past 20 years.

We are excited about this year's possibilities as we moved forward with an affiliation through ILA. Though we are not exactly sure how everything will reform at this time, we are confident that this move makes the most sense for our state and its teachers within. We look forward to this new adventure with many hopes and dreams to be fulfilled and begin this year knowing we are going to grow ourselves. We hope you will join us and support this new endeavor. While our membership costs have not increase for over 20 years, we know that the small increase may impact a few but we hope that you see the benefits of joining us in our new adventures with ILA.

Please do not hesitate to contact me or other members of the leadership council with questions concerning membership or other events/opportunities for the upcoming year.

Sincerely,

Teresa Clark-Massey
WSRC Director of Membership
